GREGORY W. DOBBELS

Princeton, NJ, USA | (617) 947-9867 | gdobbels@princeton.edu | gregorydobbels.com

EDUCATION

Princeton University, Princeton, NJ *Expected May 2024*
Ph.D. in Economics
Specialization: Industrial Organization, Spatial, and Urban Economics

Princeton University, Princeton, NJ *2020*
M.A. in Economics

Cornell University, Ithaca, NY *2012*
B.A. in Economics and Government

RESEARCH & LEADERSHIP EXPERIENCE

Ph.D. Researcher, Princeton University *2018 - 2023*
- Conducted independent research on housing markets using empirical and structural methods
- Developed and estimated a structural model of land-use regulation adoption to quantify the impact of local regulatory control on housing supply and residential segregation
- Measured the impact of large, institutional single-family landlords on housing prices and rents using Difference-in-Difference methods

Pre-Doctoral Fellow, University of Chicago Energy Policy Institute *2016 - 2018*
- Estimated the effect of temperature and rainfall on global agricultural production using panel data regressions to quantify the expected impacts of climate change on food supply

Research Associate, Innovations for Poverty Action, Uganda *2016*
- Led a survey of 3,000 local officials and an audit of 1,800 publicly funded projects for a randomized evaluation of a program to improve government oversight
- Managed 70 enumerators across four regions in Uganda and built a system for team and individual feedback, performance review, and professional development

COMMUNICATION EXPERIENCE

Graduate Teaching Assistant, Princeton University *2021 - 2022*
- Organized and taught precepts in Market Design and Auctions at the undergraduate level

Program Associate, Innovations for Poverty Action, New Haven, CT *2013 - 2015*
- Wrote and published research briefs, presentations, and website content synthesizing academic findings for a broader policy audience

Monitoring & Evaluation Specialist, USAID West Africa Trade Hub, Ghana *2012 - 2013*
- Compiled project assessment reports and wrote grant proposals for a USAID funded export promotion project

SELECTED HONORS & AWARDS

National Science Foundation Graduate Research Fellowship, *funded stipend & tuition* 2018 - 2023
Princeton University Graduate Fellowship, *funded stipend & tuition* 2018 - 2023
Princeton International Economics Section Summer Fellowship, *competitive grant* 2020 - 2023

SKILLS & INTERESTS

Programming: R, Julia (highly proficient); Python, Stata, GIS programming
Statistics & Methods: Causal Inference (Randomized Experiments, IV, DiD, RDD), Structural Modeling and Estimation (Demand Estimation, Dynamic Models, Quantitative Spatial Models)
Interests: Travel, Cooking, Hiking, Running, Ceramics
